

A dot is the end of something.

Or the beginning...

A dot can lead the eye.

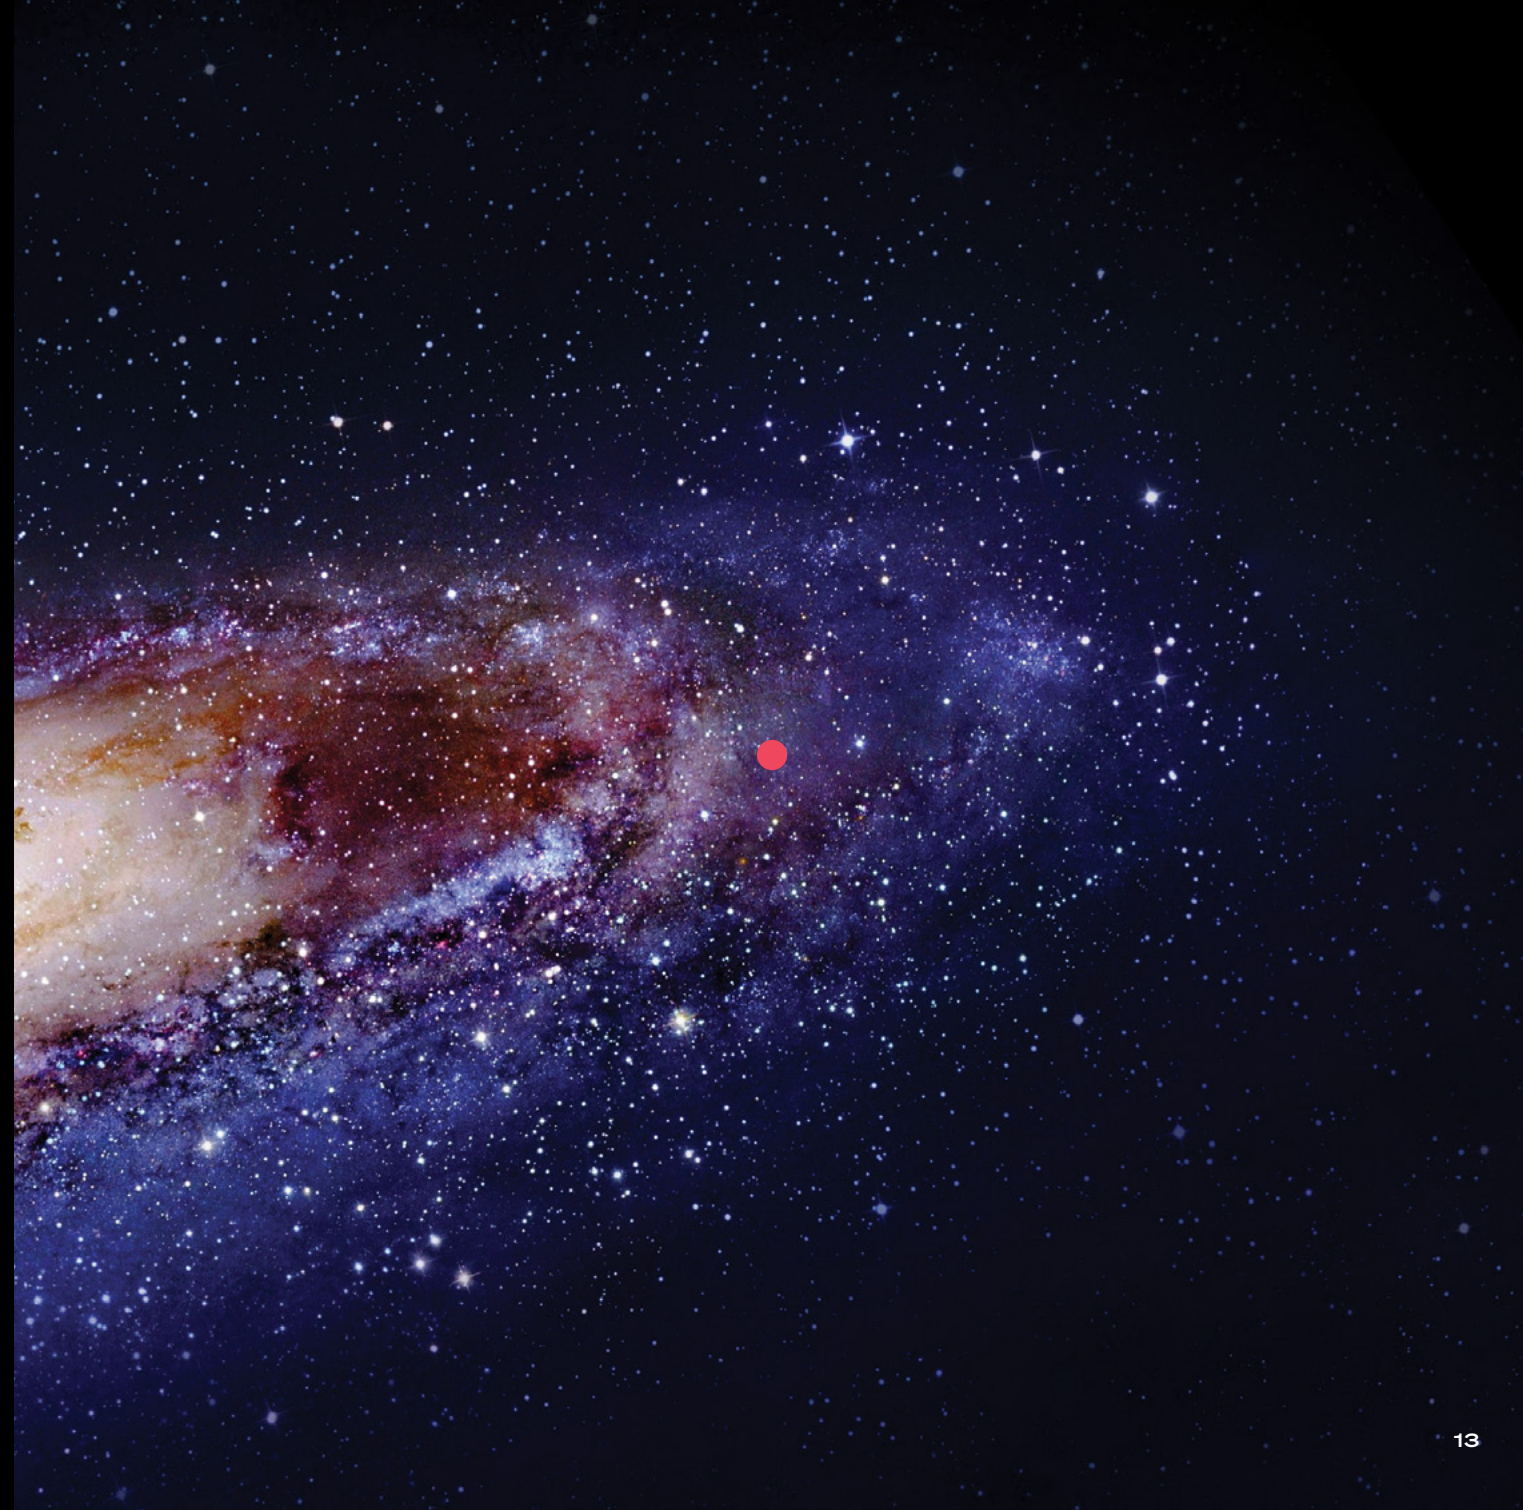

A dot will show you

what we think

A dot is where you are

and where you wish you'd been

A dot can show you what to sing

we are the champions my friends

A dot is a mark in time

A dot defines us

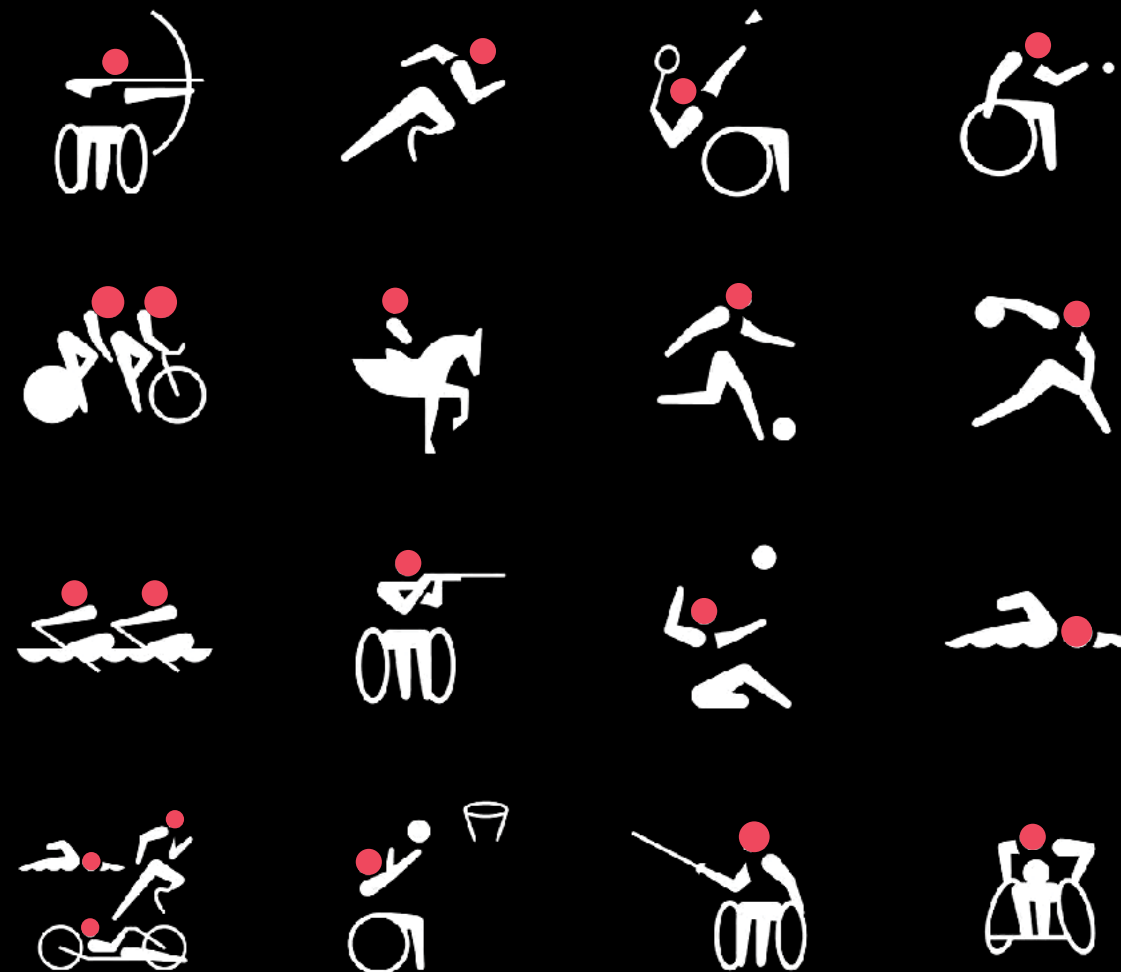

A dot can change the world

LAUNCH

A dot can be anyone

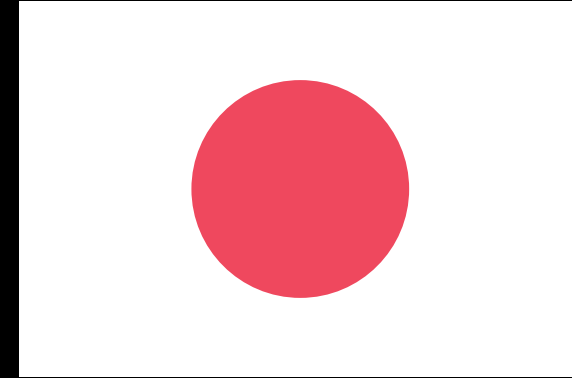

everyone

A team

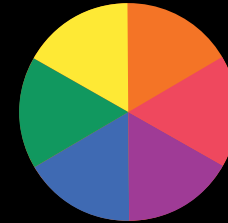

A nation

A craze

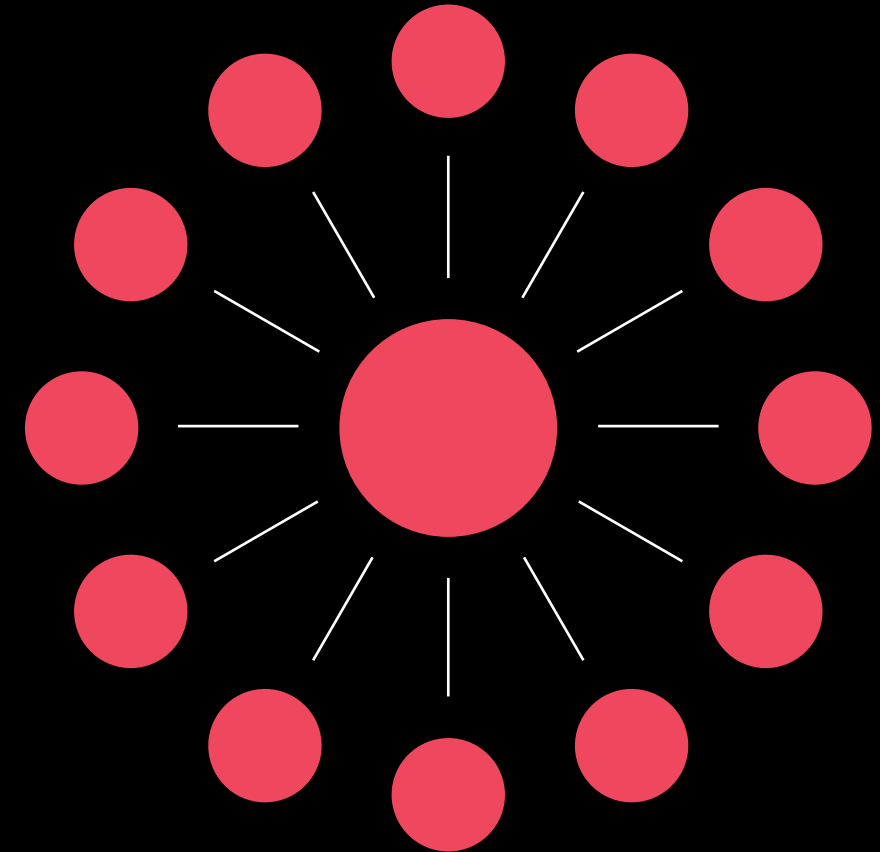

A dot can be different

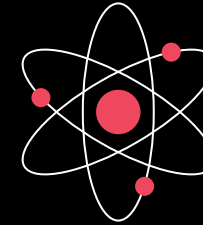

A dot is a feeling

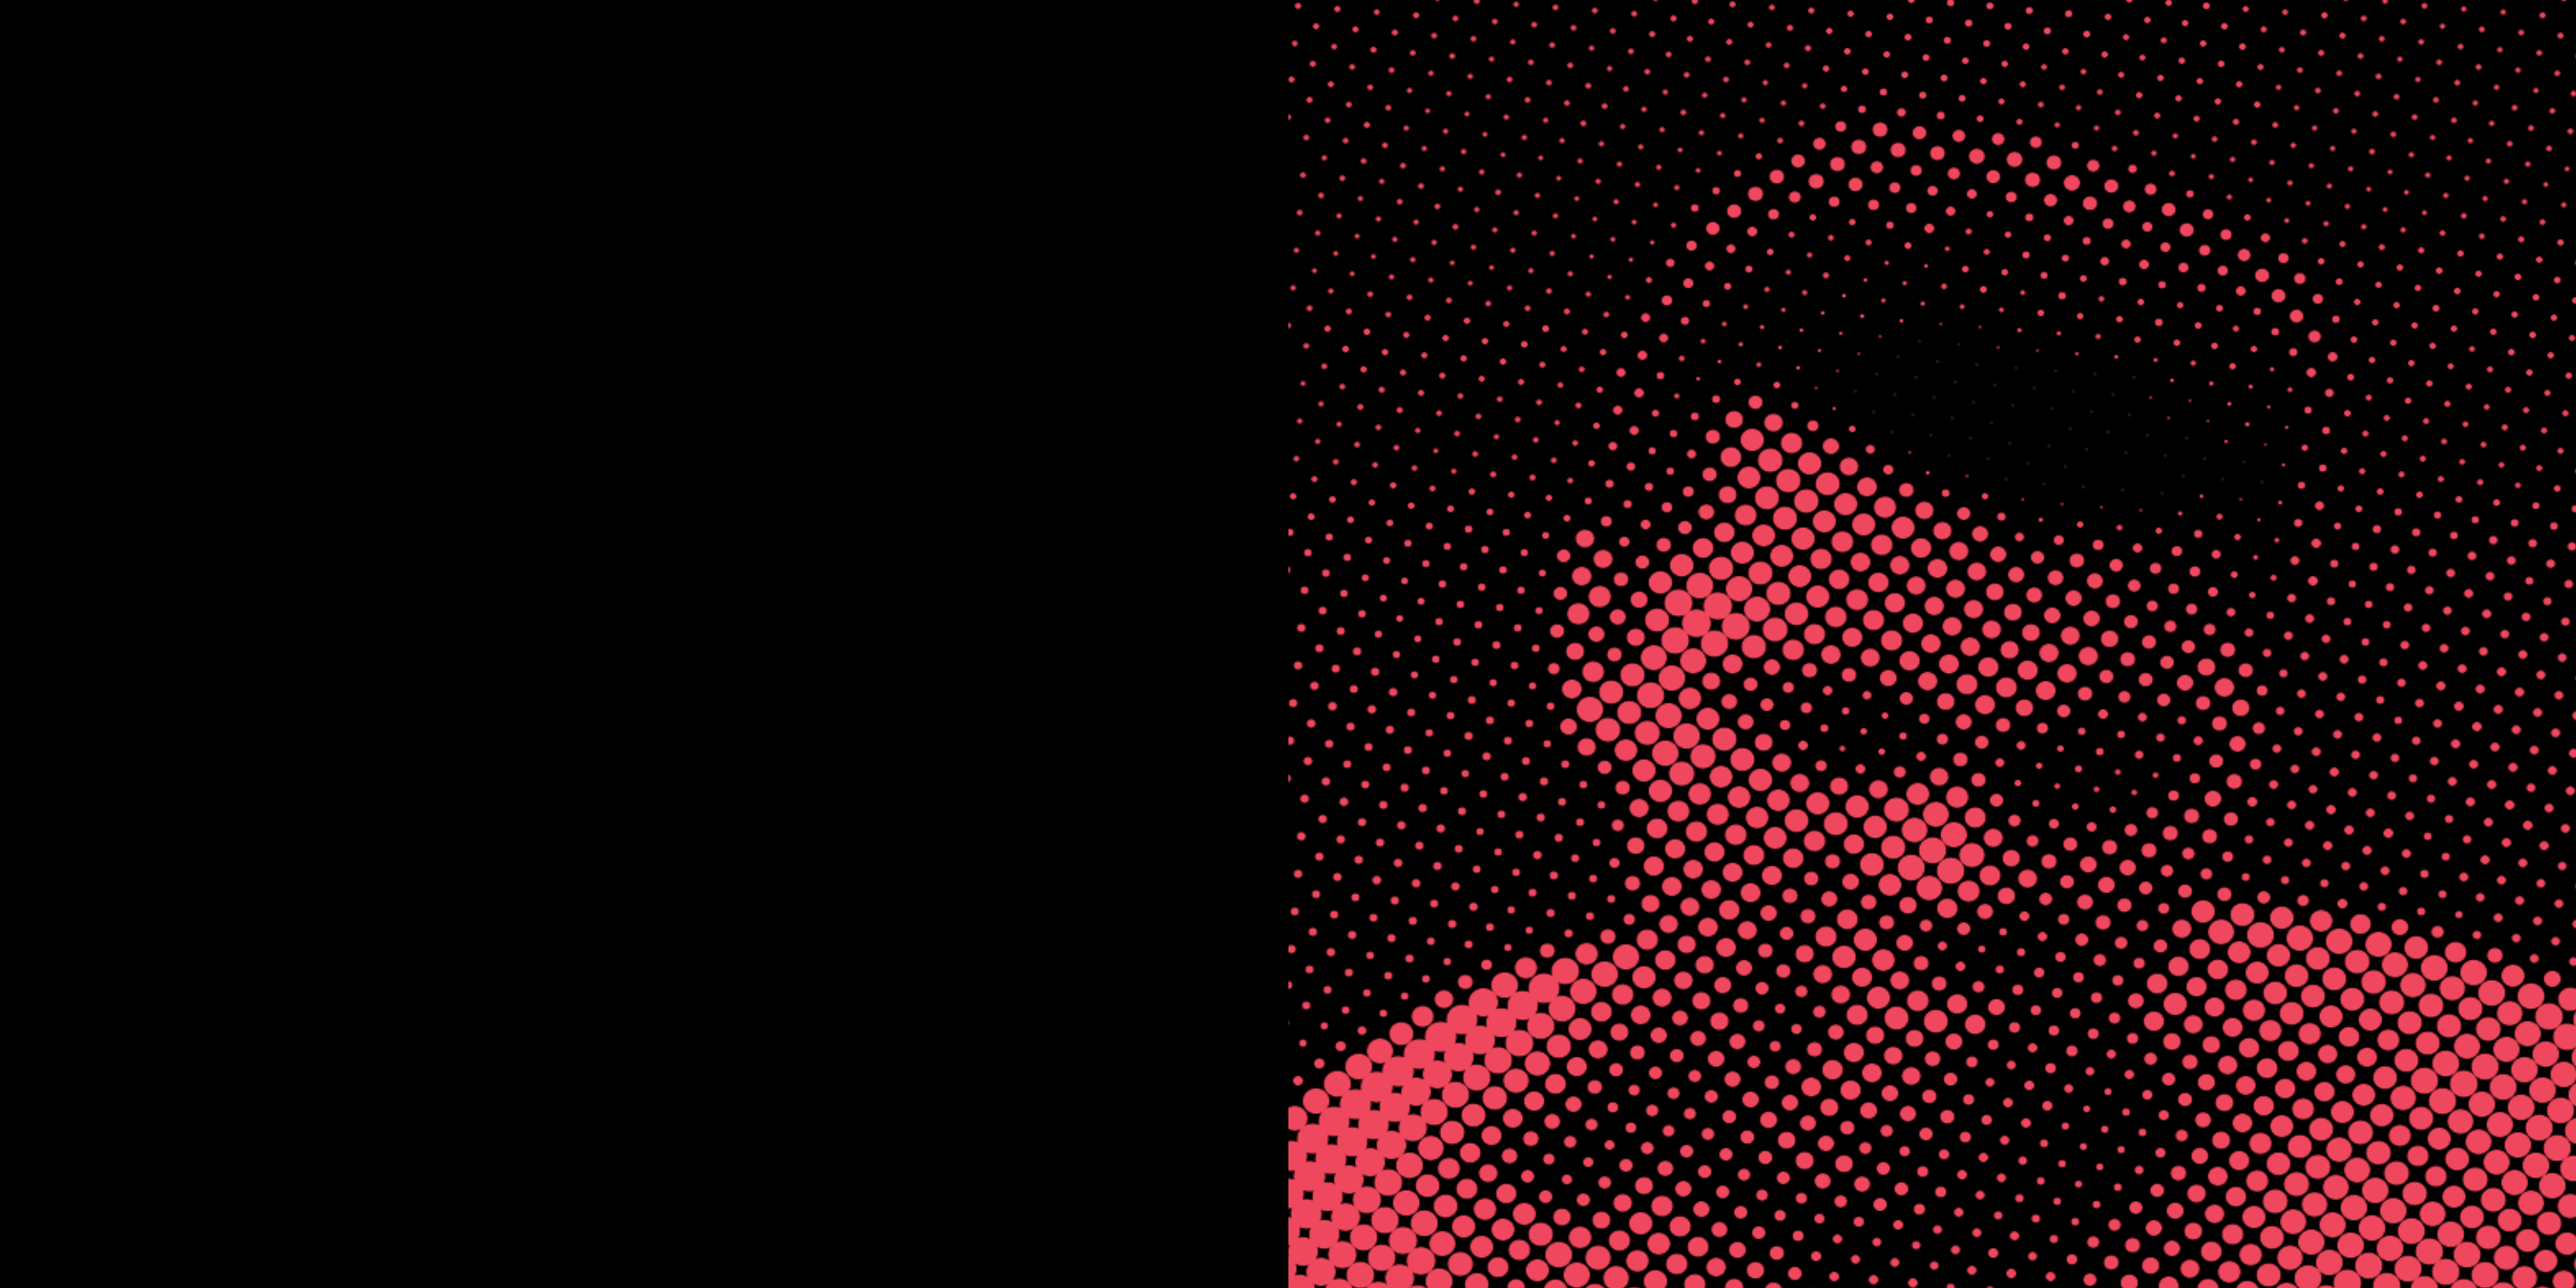

A dot can connect

A dot can be everything

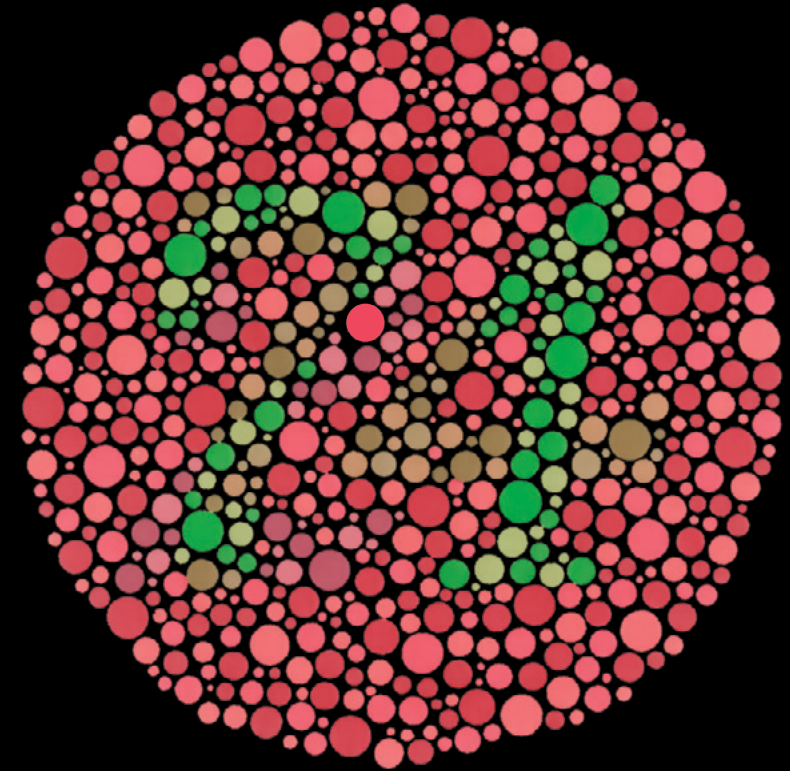

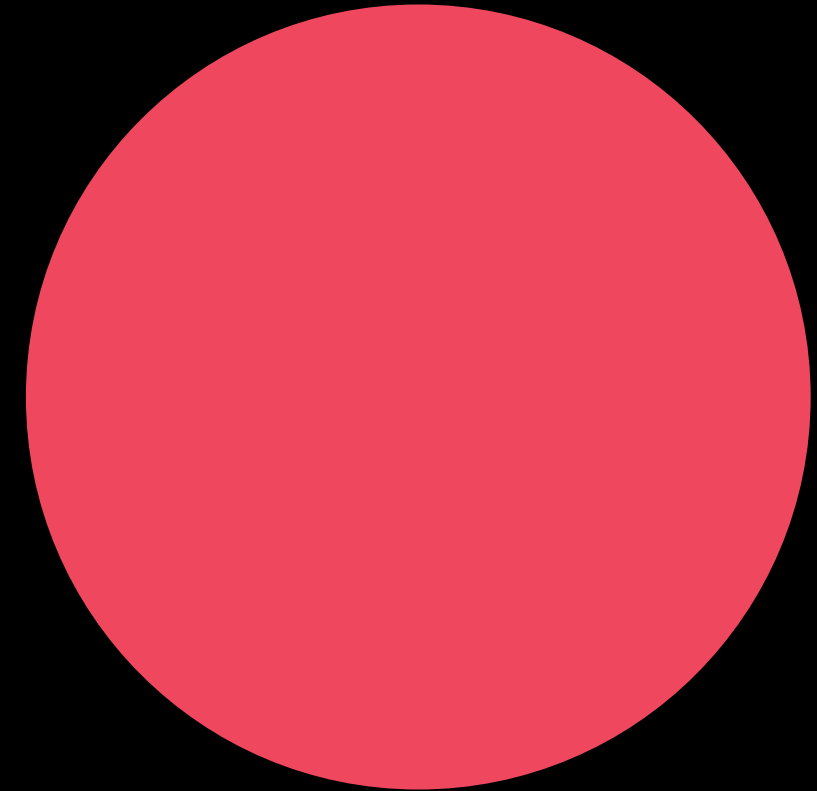

A dot can be invisible to some

A dot can be noticed by all

A dot can hide

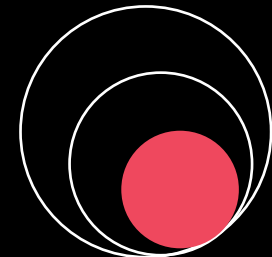

A dot is movement

A sharp turn

A gradual turn

A turn with
changing Radii

A dot can move

“A line is a dot that went for a walk”

A dot can be 3 dimensional

A dot defines a lot

\$30000000.00

or a little

\$3.000000000

A dot is a signal

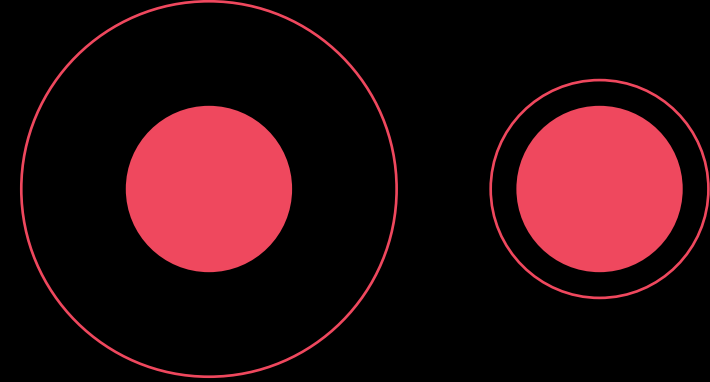

A dot is a language

A dot is an artform

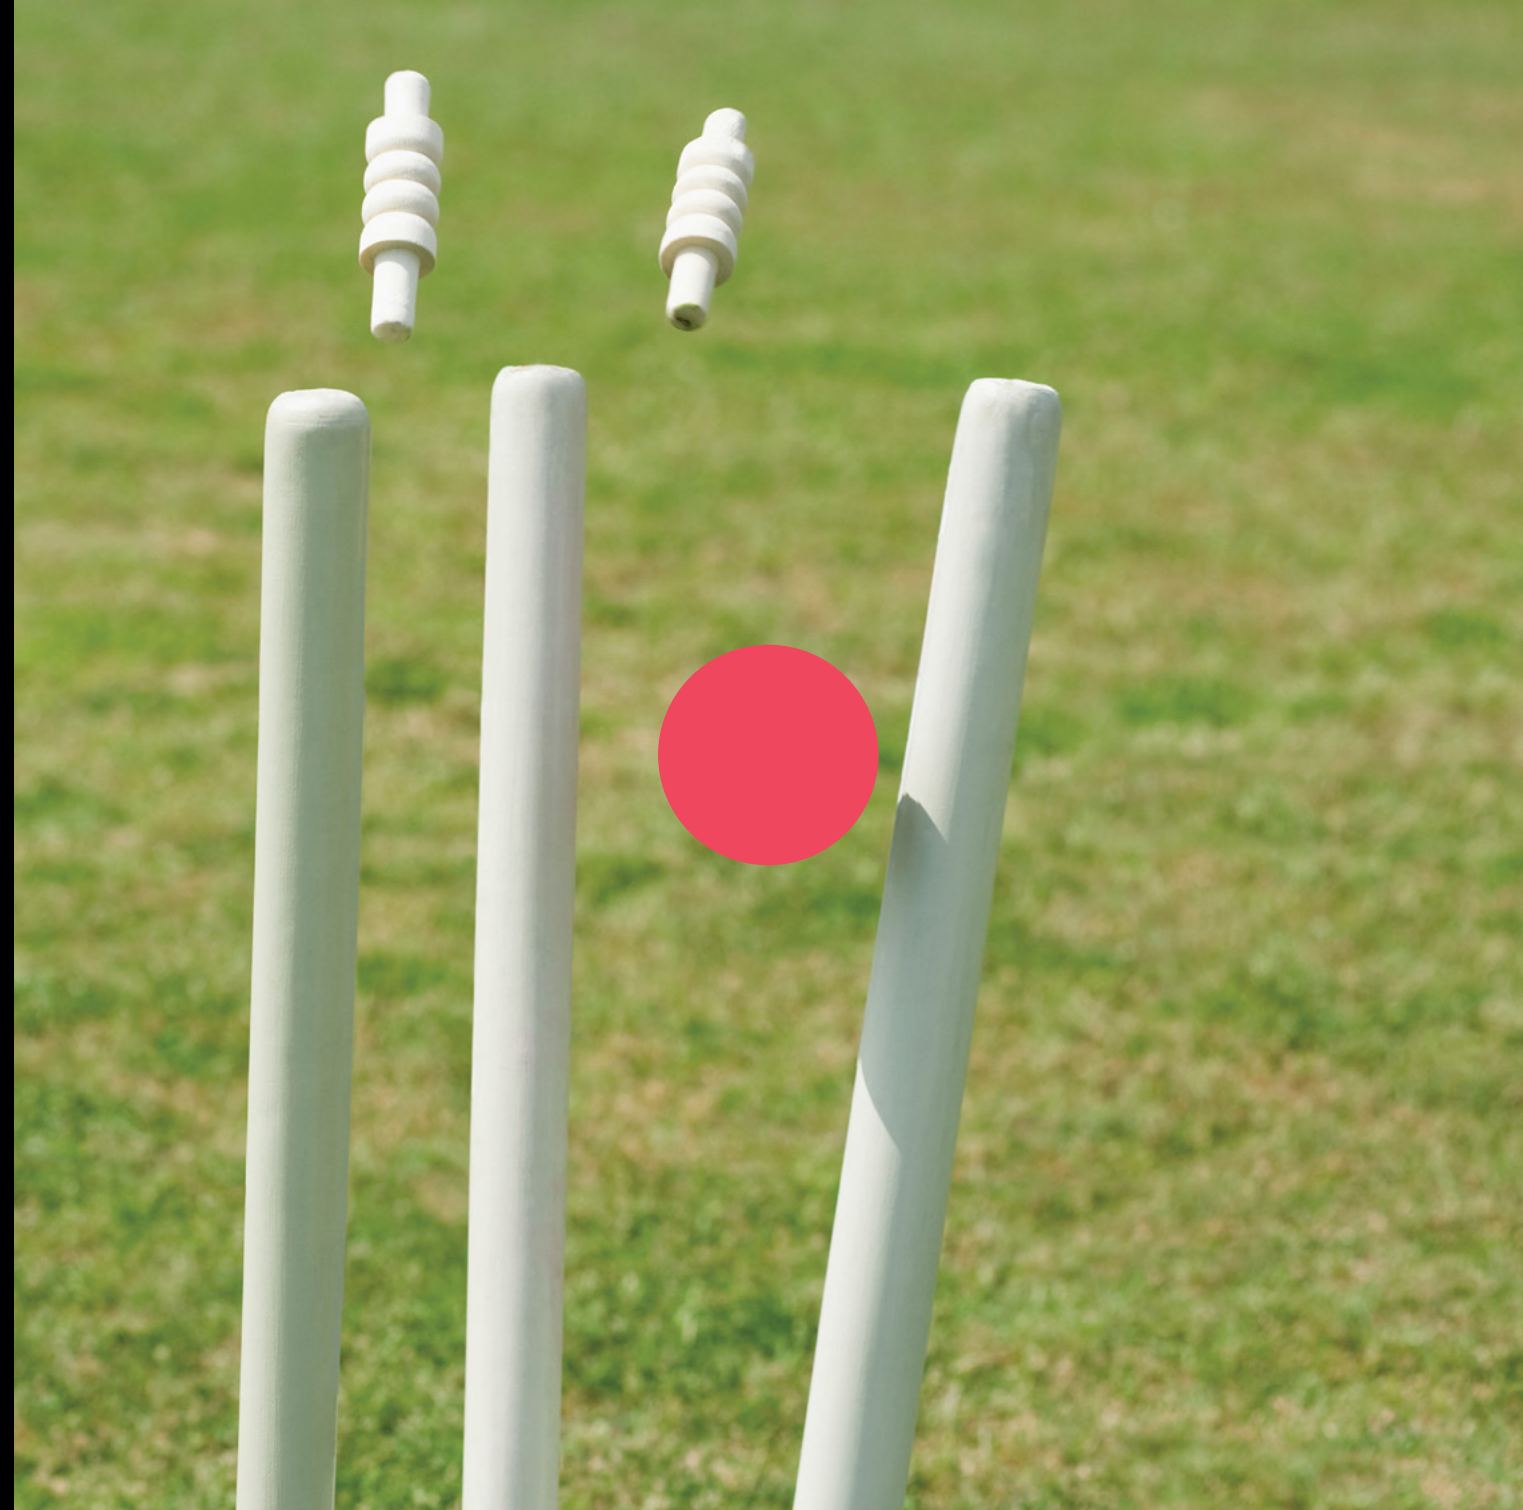

A dot is perspective

A dot is a target

A dot is a goal

A dot is a hole

A dot is something to be followed

A dot is what surrounds it

GLORY

A dot is something to be

loved...

...to the end.
